

HEARD THE NEWS?

FREE DENTAL CARE FOR KIDS AT THE ROYAL DENTAL HOSPITAL OF MELBOURNE

The Teaching Clinic at The Royal Dental Hospital of Melbourne offers free dental care for eligible children and teens.

- children (0 to 12 years) and teenagers (13 to 17 years with a valid healthcare card) pay \$0
- no wait list - your child gets the next available appointment
- group bookings for all your children to be seen in just one visit are possible

The treatment in the Teaching Clinic is provided by oral health students training to become tomorrow's dentists, prosthetists, oral health therapists and dental hygienists.

All appointments are supervised by experienced dental professionals and your child's treatment plan will be discussed with you.
